

ARIELA

Reference

Heather Moody has been employed as 2nd Stewardess on board M/Y Ariela, a 55m Private Motor Yacht for the period 1st of May 2018 – 30th September 2018. MY Ariela is cruising Mediterranean waters.

Whilst on board, Heather worked together with a team of three other stewardesses, and her responsibilities were equally shared between interior duties such as laundry, service for guests as well as regular housekeeping. Heather was somewhat inexperienced when she first joined Ariela, but she soon picked up on the very high level of service required. She completed her duties to my fullest satisfaction and I can only give her my recommendations. She was very versatile and keen to do whatever she was asked. As a crew member, she got on well with everyone, and was liked by the owners and their guests. Since the position was seasonal, her employment concluded at the end of the September. I would hire Heather again should the opportunity arise. Should you require any further information or a verbal reference for Heather, please do not hesitate to contact me.

Kind regards,
